

## EVALUATION FORM

### Conference on Systems Engineering Research

March 20-22, 2012

Dear Participant,

Please take a minute to complete this evaluation and return it to the Registration Desk before you leave the conference or fax to 1-573-341-4992. We appreciate your feedback.

#### **GENERAL (if not applicable, please leave blank)**

1. a. Were the meeting rooms comfortable?    Excellent     Good     Fair     Poor     Very Poor   
b. Were the sleeping rooms comfortable?    Excellent     Good     Fair     Poor     Very Poor   
c. Please rate the meals provided:            Excellent     Good     Fair     Poor     Very Poor   
d. Please rate the audio/visual setup:        Excellent     Good     Fair     Poor     Very Poor
2. a. Price of hotel rooms:                      Too Low     Low     Fair     High     Too High   
b. Conference Registration Fees:            Too Low     Low     Fair     High     Too High

3. Which items posted on the conference website did you find useful?

<input type="checkbox"/>	Conference Registration	<input type="checkbox"/>	Author Information
<input type="checkbox"/>	Conference Sponsors	<input type="checkbox"/>	Topics of Interest
<input type="checkbox"/>	Conference Speakers	<input type="checkbox"/>	SEANET Doctoral Workshop
<input type="checkbox"/>	Conference Panels	<input type="checkbox"/>	Hotel Information
<input type="checkbox"/>	Conference Schedule	<input type="checkbox"/>	International Travel

4. a. If you are an author, please rate the page requirements for the paper:  
Very Nonrestrictive     Nonrestrictive     Neutral     Restrictive     Very Restrictive
- b. Was having a printed proceedings useful for the conference/future use?  
Yes     No     Maybe

#### **TUESDAY SESSIONS (if not applicable, please leave blank)**

5. Of the following Plenary, Concurrent and Panel sessions, please give an overall evaluation of each presentation.

##### **Plenary Sessions**

- a. Morning - Robert (Bob) Scheurer            Excellent     Good     Fair     Poor     Very Poor   
b. Luncheon - David Mason                      Excellent     Good     Fair     Poor     Very Poor

##### **Concurrent Sessions**

- a. Complex Systems I                              Excellent     Good     Fair     Poor     Very Poor   
b. Model Based Systems Engineering I        Excellent     Good     Fair     Poor     Very Poor   
c. Systems and Systems Thinking              Excellent     Good     Fair     Poor     Very Poor   
d. Complex Systems II                             Excellent     Good     Fair     Poor     Very Poor   
e. Model Based Systems Engineering II        Excellent     Good     Fair     Poor     Very Poor   
f. Trade Space Optimization                      Excellent     Good     Fair     Poor     Very Poor

##### **Panel Sessions**

- a. Morning - System of Systems                Excellent     Good     Fair     Poor     Very Poor   
b. Afternoon - BKCcase                          Excellent     Good     Fair     Poor     Very Poor

**WEDNESDAY SESSIONS (if not applicable, please leave blank)**

6. Of the following Plenary, Concurrent and Panel sessions, please give an overall evaluation of each presentation.

**Plenary Sessions**

- a. Morning - Debra Factor Lepore      Excellent     Good     Fair     Poor     Very Poor
- b. Luncheon - David Sharp      Excellent     Good     Fair     Poor     Very Poor
- c. Banquet - Donna Rhodes      Excellent     Good     Fair     Poor     Very Poor

**Concurrent Sessions**

- a. Complex Systems III      Excellent     Good     Fair     Poor     Very Poor
- b. Human Integration I      Excellent     Good     Fair     Poor     Very Poor
- c. System Engineering Success Patterns      Excellent     Good     Fair     Poor     Very Poor
- d. Complex Systems IV      Excellent     Good     Fair     Poor     Very Poor
- e. Human Integration II      Excellent     Good     Fair     Poor     Very Poor
- f. Cyber Security      Excellent     Good     Fair     Poor     Very Poor
- g. Systems Architecting I      Excellent     Good     Fair     Poor     Very Poor
- h. Computational Approaches      Excellent     Good     Fair     Poor     Very Poor
- i. Risk Analysis and Affordability      Excellent     Good     Fair     Poor     Very Poor

**Panel Sessions**

- a. Morning - Product Line Architecture      Excellent     Good     Fair     Poor     Very Poor

**THURSDAY SESSIONS (if not applicable, please leave blank)**

7. Of the following Plenary, Concurrent and Panel sessions, please give an overall evaluation of each presentation.

**Plenary Sessions**

- a. Morning 1 - Al Brown      Excellent     Good     Fair     Poor     Very Poor
- b. Morning 2 - Richard Freeman      Excellent     Good     Fair     Poor     Very Poor
- c. Luncheon - Garth Anderson      Excellent     Good     Fair     Poor     Very Poor

**Concurrent Sessions**

- a. Systems Architecting II      Excellent     Good     Fair     Poor     Very Poor
- b. Energy Systems Applications      Excellent     Good     Fair     Poor     Very Poor
- c. BKCASE Tutorial      Excellent     Good     Fair     Poor     Very Poor

**Panel Sessions**

- a. Afternoon – Modeling and Simulation      Excellent     Good     Fair     Poor     Very Poor

8. Overall evaluation of the CSER 2012 conference:

- Excellent     Good     Fair     Poor     Very Poor

9. Do you plan to participate in future CSER conferences?      Yes     No     Maybe

10. Will you consider contributing a paper to a future CSER conference?      Yes     No     Maybe
